About First Insurance

We provide online small business insurance with integrated risk management resources. In partnership with local independent insurance agents and brokers, we provide valuable protection that evolves with you as your business grows.

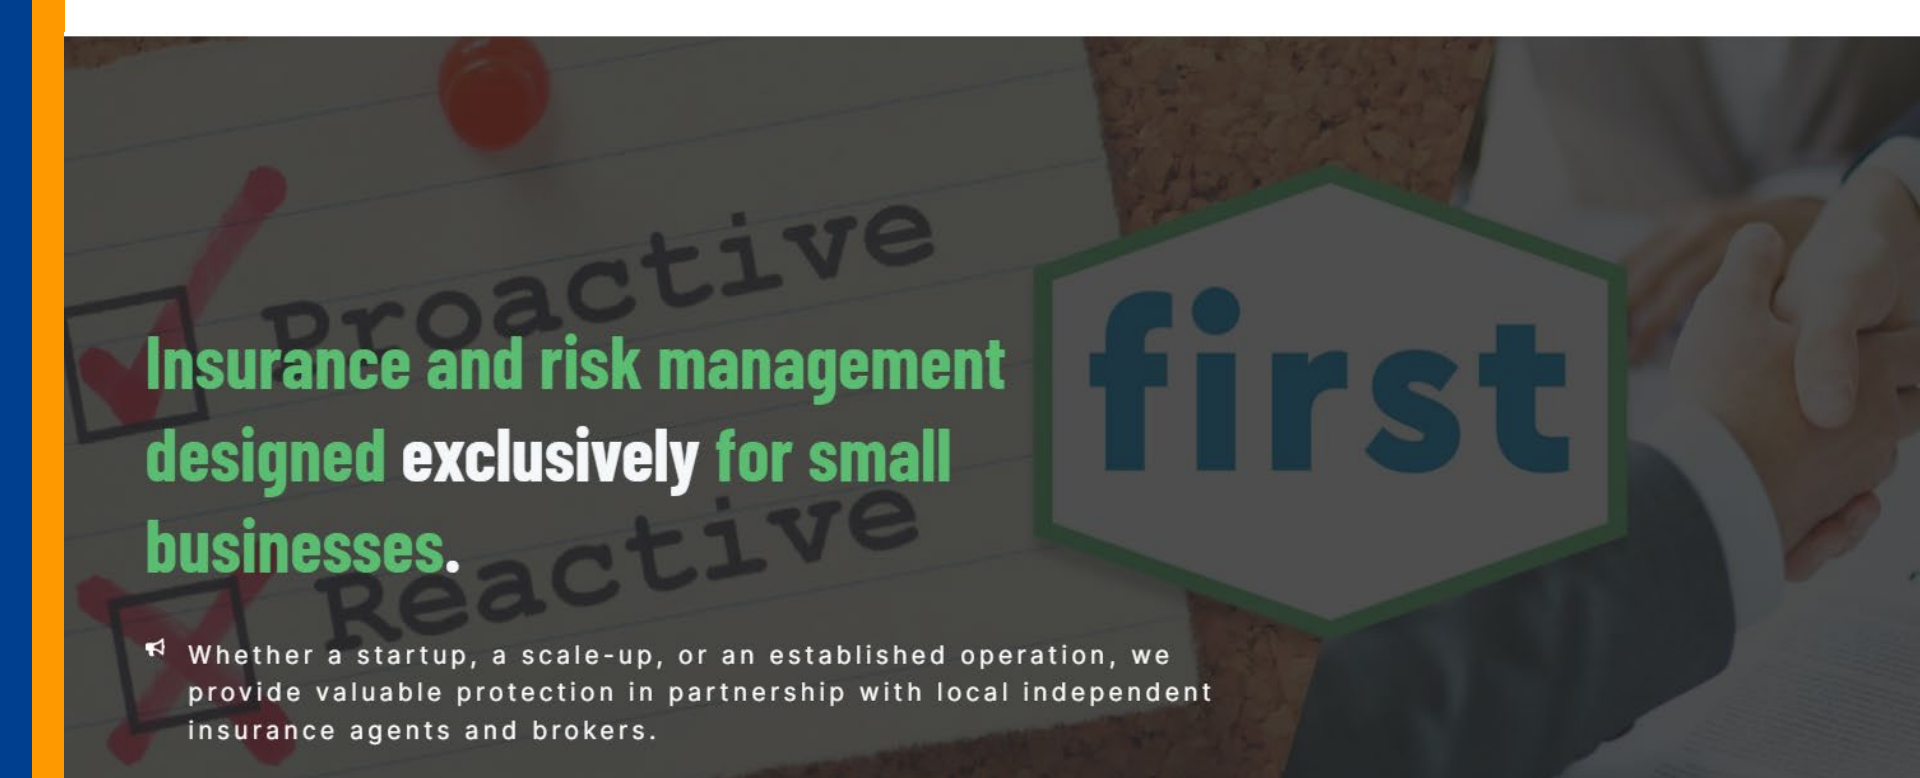

Our mission at First Insurance & Risk Management is to provide top-quality products and services to our clients through a foundation of integrity, innovation, and belonging.

We are dedicated to meeting the unique needs and expectations of our clients, and we approach every interaction with gratitude and a sense of community.

Our team is committed to delivering exceptional experiences and building long-lasting partnerships with our clients.

By valuing integrity, innovation, belonging, and client centricity, we strive to be a trusted and respected leader in our industry.

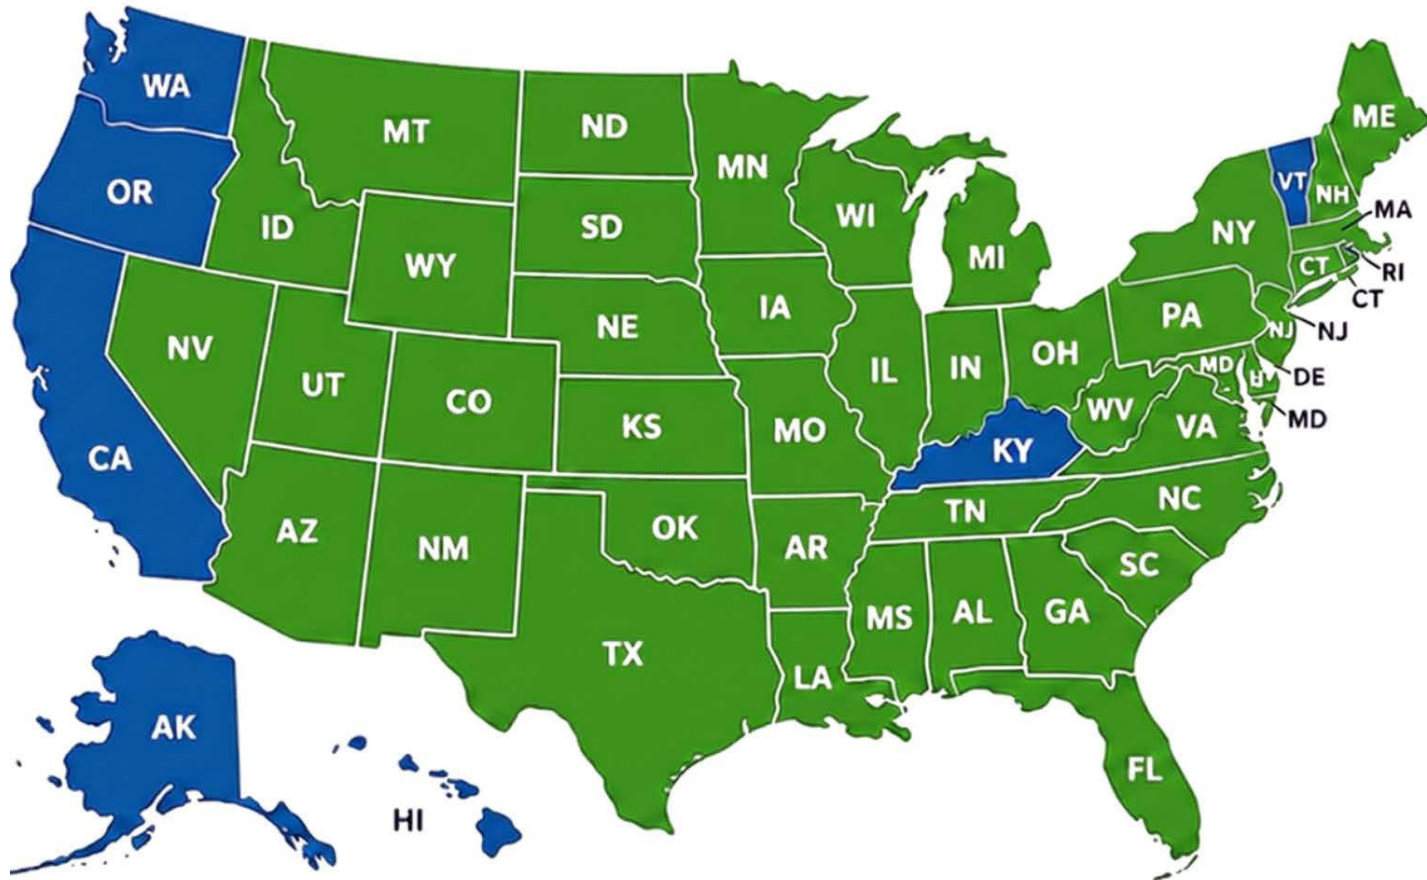

**Insurance and risk management
designed exclusively for small
businesses.**
